Road Closure on McGee Drive, south of Lindsey Street Intersection

McGee Drive just south of the Lindsey Street intersection will be closed to perform sewer rehabilitation work beginning at 8:30 a.m. Wednesday, August 26, and is expected to re-opened by 7 a.m. Thursday, August 27. Traffic is urged to use alternate routes such as Crown Point to McGee Street. Insituform Technologies, under contract with the Norman Utilities Authority (NUA), is currently rehabilitating the 21-inch sewer interceptor along Lindsey Street from McGee Avenue to Berry Road; the project should be complete by August 30, 2015.

For questions, contact Mark Daniels, Utilities Engineer, at mark.daniels@normanok.gov or 366-5443 or Chris Serrano, Utilities Coordinator, at chris.serrano@normanok.gov or 366-5265. For additional information on the Lindsey Street Project, visit www.lindseystreetnorman.com.
